

Who is this guide for?

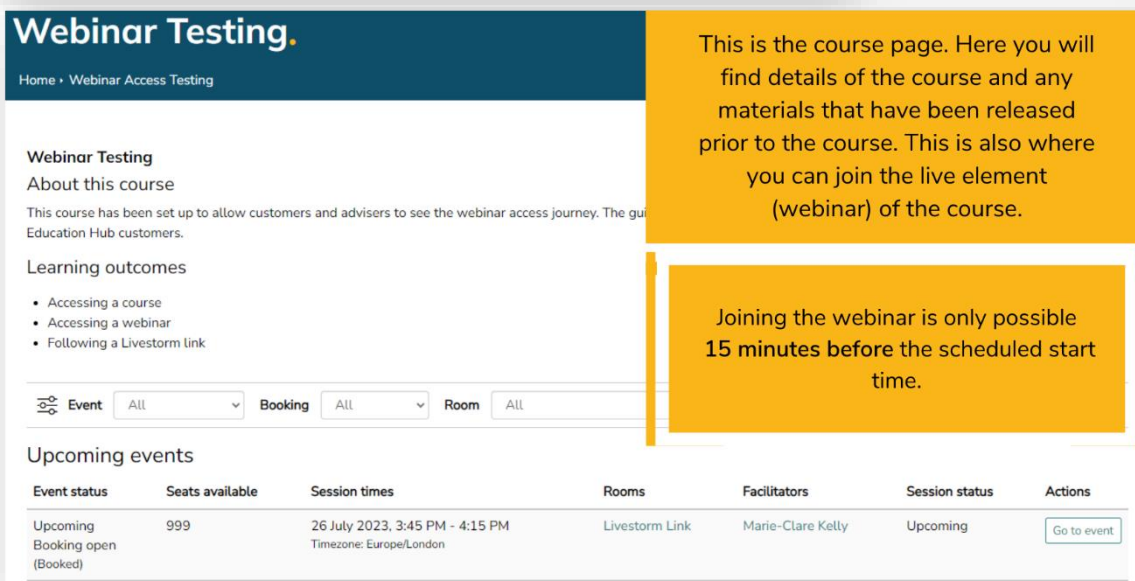

- **Users** who have been enrolled on a live webinar course.

What is in this guide?

- How to join the live webinar you have been enrolled onto on the day of the course.

Please note: if your course does not appear here, please check with your organisation admin that they have enrolled you on the course after purchasing the license for it. If they haven't, they can refer to the guide **“allocating courses to users”** which explains how to do this.
